Remarks/Directions

Public: **A solid foundation already in place, this property offers a fabulous opportunity to get started on your recreational project without having to worry about laying the groundwork. Additionally, a septic system has already been installed, saving you time and money down the line. Embrace the beauty of the great outdoors while enjoying the peaceful sounds of the Magnetawan river rushing by, just steps away from your doorstep. The Magnetawan River provides direct access to 40 miles of navigable waters. Whether you're looking for a recreational vacation home, this property offers the perfect canvas to get you started offering a double lot. While it boasts stunning natural beauty and peace and quiet, it does not currently have access to hydro. This means that buyers must consider alternative energy sources, such as solar or wind power, to meet their electricity needs. Don't miss out on this incredible opportunity to own a piece of paradise on the river.**
